soffioni

shower heads

Ogni ambiente ha le sue caratteristiche, e ogni caratteristica trova il suo soffione: una vasta scelta di soffioni di diverse forme e misure, con installazione a parete o a soffitto, con erogazione dell'acqua classica o a cascata, ispezionabili o meno, ultrapiatti e con sistema anticalcare. Perché il benessere non conosce compromessi.

Each environment has its own characteristics, where our shower-heads may be placed: a wide choice of shower-heads of different shapes and sizes, with ceiling or wall installation, with classic or cascade water flow, inspectable or not, ultra-thin and with anti-scale system. Because the well-being knows no compromise.

A photograph of a modern bathroom. In the foreground, a white, curved bathtub is partially visible on the right. Behind it, a large glass shower enclosure with a sliding door is set against a dark wall. The shower area is brightly lit from a window with sheer curtains. In the background, a bed with a dark headboard and white pillows is visible. A decorative woven basket with dried flowers sits on the edge of the bathtub. The overall atmosphere is clean, minimalist, and contemporary.
